

Centre Guidance when applying for Special Arrangements

1 General

- 1.1 Please also refer to the FAB Guide to Centres 'The Application of Reasonable Adjustments and Special Consideration in Vocational Qualifications'. This document sets out to explain the range and requirements of Centres requesting reasonable adjustments and special consideration.
- 1.2 We as the Awarding Organisation will be happy to discuss any additional requirements for client groups experiencing other barriers to assessment opportunities that may not be addressed in this document.
- 1.3 Centres must refer to Permissions Table (Appendix 1) which indicates which reasonable adjustments require permission from us.

2 Reasonable Adjustments and Assessment Arrangements

- 2.1 Requests for Reasonable Adjustments for external assessments.
 - 2.1.1 Please send form RA2 Centre Application for Reasonable Adjustments, available on our website, via email to Complianceandregulation@BIIAB.co.uk at least **28 working days** before the date of an external paper-based examination. In the case of onscreen tests or examinations please send the application form at least **5 working days** before the date of exam/test. This form needs to come from or be authorised by a person responsible and qualified at the centre for assessing learners' needs.
 - 2.1.2 Please ensure that you include – alongside all completed forms - medical / appropriate evidence or a signed statement from an authorised member of centre staff as verification of need. The reasonable adjustments which are requested, as a consequence of a learner's need, must be clearly indicated.
 - 2.1.3 On receipt of form RA2, we will review the evidence supplied and provide a response in writing. We will confirm whether the requested adjustment has been approved or not and provide details of any requirements.

2.2 Reasonable Adjustments applied during internal assessment

2.2.1 Evidence of all reasonable adjustments applied during internal assessment must be made available to the External Quality Assurer during external quality assurance visits and Audits.

3 Special Consideration

Please refer to FAB Guide to Centres 'The Application of Reasonable Adjustments and Special Consideration in Vocational Qualifications', section 7 on the requirements for special consideration.

3.1 Request for Special Consideration for timed external assessments

3.1.1 Form RA3 'Application for Special Consideration', available from our website must be sent, via email to Complianceandregulationt@BIIAB.co.uk within **10 working days** of the external assessment taking place. We will assess each request on its own merits.

3.1.2 Requests must attach medical, other appropriate evidence or a signed statement from an authorised member of Centre staff (usually the Examinations Officer) fully outlining the circumstances why consideration should be given.

3.1.3 Any adjustment made will be small (no more than 5% of the total marks available – see Appendix 2) and may not be considered if alternative assessment arrangements can be made.

3.1.4 If an adjustment is agreed it will be confirmed in writing what adjustment has been made.

3.1.5 Learners who absent themselves from an examination may be allowed to sit on an alternative date subject to BIIAB Qualifications Limited receiving, within the timescales specified, acceptable evidence that the learner was unfit to sit the examination at the scheduled time.

3.1.6 Learners who are simply absent from an examination for which they have been entered without explanation, may re-enter, but such entry will be considered a re-sit and the published fee charged.

3.2 Requests for Special Consideration for other assessments

3.2.1 There may be other instances where Centres feel it is appropriate to request a special consideration. In all cases, Centres are required to put that request in writing and send via email to Complianceandregulation@BIIAB.co.uk and the request will be judged on a case-by-case basis.

4 Appeals

4.1 In the event a Centre wishes to appeal against any BIIAB Qualifications Limited decisions made in relation to the above, they have recourse to the Enquiries and Appeals policy and procedure published on our website.
