

Level 4 Lead Practitioner in Adult Care End-Point Assessment

The Lead Practitioner in Adult Care will guide and inspire team members to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges. They will have specialist skills and knowledge in their area of responsibilities which will allow them to lead in areas such as care needs assessment, occupational therapy, physiotherapy, rehabilitation and enablement, telecare and assistive technology. They will be a coach and mentor to others and will have a role in assessing performance and quality of care delivery. Lead Practitioners in Adult Care may work in residential or nursing homes, domiciliary care, day centres, a person's own home or some clinical healthcare settings. As well as covering Lead Practitioners in Adult Care this standard also covers Lead Personal Assistants who can work at this senior level but they may only work directly for one individual who needs support and/or care services, usually within their own home.

Fee £800

Maximum Funding £7000

Why choose BIIAB?

We specialise in various sectors for end-point assessment. Our experience with the standards for these industries means we know exactly what employers and apprentices need, making the assessment process clear, easy to use and responsive.

We are passionate about apprenticeships and the futures of your apprentices. By conducting high-quality end-point assessment services and ensuring that training providers, employers and apprentices are fully supported throughout, we aim to provide your apprentices with the best start in their career.

BIIAB Qualifications Limited is the End-point Assessment Organisation (EPAO) that is approved and registered with the Education and Skills Funding Agency (ESFA) for this apprenticeship. Delivery of this end-point assessment is monitored, on behalf of the Institute for Apprenticeships and Technical Education (IfATE), by the External Quality Assurance Organisation, Ofqual.
