Qualification Guidance

About the BIIAB Level 2 Award for Security Officers in the Private Security Industry (Refresher)

BIIAB Qualifications Limited is regulated to deliver this qualification by Ofqual in England, by Qualifications Wales in Wales and by the Council for Curriculum, Examinations and Assessment (CCEA Regulation) in Northern Ireland. The qualification has a unique Qualification Number (QN) which is shown below. Each unit within the qualification will also have a regulatory Unit Reference Number (URN).

The QN code will be displayed on the final certificate for the qualification.

Qualification Title	Qualification Number (QN)
BIIAB Level 2 Award for Security Officers in the Private Security Industry (Refresher)	610/4725/9 (England & Northern Ireland) C00/5083/3 (Wales)

Objective and Purpose of this Qualification

This qualification includes key areas that will bring current licence holders up to date with the new licence-linked qualifications requirements. The BIIAB Level 2 Award for Security Officers in the Private Security Industry (Refresher) is designed to show that learners have obtained and can demonstrate the knowledge and skills required to be a Door Supervisor.

The primary purpose of the qualification is to confirm occupational competence. However, employers can also rely on the knowledge provided as meeting nationally recognised standards within security, and more specifically being a Security Officer, at this level. As such the sub purpose is to confirm the ability to meet a 'licence to practise' or other legal requirements made by the relevant sector, professional or industry body.

Under the Private Security Industry Act 2001, all Security Officers must hold a licence to practise issued by the Security Industry Authority (SIA). Successful completion of this course enables a door supervisor to meet one of the requirements to apply for their licence. Security Officers might like to progress by broadening their industry knowledge/employability by taking the BIIAB Level 2 Award for CCTV Operators in the Private Security Industry and/or the BIIAB Level 2 Award for Door Supervisors in the Private Security Industry.

Due to constant regulatory, policy and funding changes, users are advised to check this qualification is funded for use with individual learners before making

registrations. If you are unsure about the qualification's status, please contact BIIAB Qualifications Limited head office.

The qualification is developed by the Security Industry Authority (SIA) and adheres to SIA's requirements. Therefore, while there are no National Occupational Standards (NOS) in place, we comply with the regulatory standards set by the (SIA)

About this Guidance

This guidance has been developed to provide guidance for learners, assessors and quality assurers undertaking, delivering, or quality assuring this qualification.

The purpose of the guidance is to provide the majority of the key information that may be needed to prepare for, and help support, the successful delivery of the qualification, in one place.

If this guidance is updated, centres will be notified by BIIAB Qualifications Limited.

What are Rules of Combination (ROC)?

Under the Regulatory Qualifications Framework (RQF), qualifications can be made up of a combination of mandatory and/or optional units. The units and

Qualification Guidance

credits required to complete a qualification are set out by the rules of combination (RoC). The RoC allows for flexibility and transferability.

The ROC will specify:

- the total credit value of the qualification
- the amount of credit that must be achieved within specific groups of units (e.g. Mandatory, Optional Unit, and Optional groups)
- the minimum credit which must be achieved at the level or above the level of the qualification
- the Total Qualification Time (TQT)
- the title, Unit Regulation Number and BIIAB Qualifications Limited Unit number for each unit, alongside its level, credit, and Guided Learning Hours (GLH)
- any barred units (units that cannot be taken together as part of the qualification)

When choosing the appropriate route for a learner or group of learners, it is the responsibility of the centre to ensure the rules of combination are adhered to.

BIIAB Level 2 Award for Security Officers in the Private Security Industry (Refresher) Rules of Combination (ROC) and Structure

To achieve the BIIAB Level 2 Award for Security Officers in the Private Security Industry (Refresher) learners **must** complete all units within the qualification. This **must** consist of:

Entry Requirements and Progression

English Language Pre-requisite for Learners

In the course of their work, security operatives are likely to be required to make calls to the emergency services, or for example communicate to resolve conflict. It is essential that security operatives can communicate effectively.

It is the Centre's responsibility to ensure that each learner is sufficiently competent in the use of the English and/or Welsh language. All assessments must be conducted in the medium of English and/or Welsh as appropriate. Learners should, as a minimum, have language skills in reading, writing, speaking and listening equivalent to the following:

- A B2 Level qualification on the Home Office's list of recognised English tests and qualifications
- A B2 Common European Framework of Reference for Languages (CEFR)
- An ESOL qualification at (Level 1) on the Ofqual register taken in England, Wales or Northern Ireland
- An ESOL qualification at Scottish Credit and Qualifications Framework Level 5 awarded by the Scottish Qualifications Authority (SQA) and taken in Scotland
- Functional Skills Level 1 in English
- SQA Core Skills in Communication at Scottish Credit and Qualifications Framework Level 5
- Essential Skills Wales Communication Level 1
- Essential Skills NI Communication Level 1.

Training centres must ensure that all learners have sufficient reading, writing, speaking and listening language skills before putting the learners forward for training and assessment. All English/Welsh language assessments used by Centres must be agreed with BIIAB Qualifications Limited as part of security centre approval.

Centres must retain this information for all learners against all four competencies for a minimum of three years in line with retention of assessment evidence requirements.

First Aid Training Requirements

From 01 April 2021, learners taking their Door Supervision or Security Officer training for the first time will need to show that they hold a current and valid First Aid or Emergency First Aid certificate* that meets the requirements of the Health and Safety (First Aid) Regulations 1981. It is an SIA requirement that training centres must confirm that each learner is sufficiently qualified in First Aid or Emergency First Aid.

Qualification Guidance

Learners should, as a minimum, have achieved an Emergency First Aid at Work qualification covering the following outcomes.

- understand the role of the first aider, including reference to:
 - the importance of preventing cross-infection
 - the need for recording incidents and actions
 - use of available equipment
- assess the situation and circumstances in order to act safely, promptly and effectively in an emergency
- administer first aid to a casualty who is unconscious (including seizure)
- administer cardiopulmonary resuscitation and use of an automated external defibrillator
- administer first aid to a casualty who is choking
- administer first aid to a casualty who is wounded and bleeding
- administer first aid to a casualty who is suffering from shock
- provide appropriate first aid for minor injuries (including small cuts, grazes and bruises, minor burns and scalds, small splinters).

Learners should present their First Aid or Emergency First Aid certificate* to their training provider before they start training. This certificate* must be valid for at least 12 months from course start date.

It is the centre's responsibility to check the learner's First Aid certificate and maintain relevant records of how a learner meets this requirement.

Training centres must retain this information for a minimum of three years in line with retention of assessment evidence requirements.

*Training centres are permitted to deliver suitable First Aid qualifications together with security qualifications as part of a training package. All First Aid training must be completed and passed prior to the commencement of the security training.

Assessment

Overview of assessment strategy

The qualification contains units that cover both knowledge and competency which are all assessed. The competence elements of the units are assessed through practical assessments and require learners to demonstrate their competence through observation by an assessor. Knowledge assessments provided by BIIAB Qualifications Limited will ensure that effective learning has taken place and that learners have the opportunity to:

- Meet the assessment criteria
- Achieve the learning outcomes.

Assessments will be accessible and will produce results that are valid, reliable, transparent and fair. BIIAB Qualifications Limited will ensure that the result of

Qualification Guidance

each assessment taken by a learner in relation to a qualification reflects the level of attainment demonstrated by that learner in the assessment, and will be based upon the achievement of all of the specified learning outcomes.

In order to assess formally the learners' knowledge, BIIAB Qualifications Limited has developed externally set, externally marked paper-based **multiple-choice assessments**.

Details of the ordering process, assessment documentation, invigilation requirements to centres and the documentation to be completed can be found in the Centre Manual for the Administration of BIIAB Qualifications within the Security Portfolio document, available on request.

BIIAB Qualifications Limited will make every effort to ensure that it allows for assessment to:

- Be up to date and current
- Reflect the context from which the learner has been taught
- Be flexible to learner needs

Assessment Principles

The Assessment Principles for the Level 2 Award for Security Officers in the Private Security Industry (Refresher) have been designed by the Security Industry Authority (SIA) in conjunction with all SIA approved Awarding Organisations. While BIIAB Qualifications Limited has not itself solely designed the strategy, it agrees with the principles and their suitability as an Assessment Strategy for this qualification, it has agreed that this strategy will be applied for this qualification, and it has agreed that it will monitor the compliance of BIIAB Qualifications

Limited centres offering this qualification against the criteria. As such all centres and their assessment must adhere to the current Assessment Principles for this qualification.

The Assessment Principles for this qualification can be seen in the section which follows and it provides details of the key requirements for the qualification and the assessors and quality assurers delivering, quality assuring and certifying the qualification.

Unit 1: Principles of Working as a Security Officer in the Private Industry (Refresher)

This unit will be assessed by a knowledge assessment. The knowledge assessment is an externally set and marked multiple-choice question paper consisting of 28 questions. The examination will last for 45 minutes and learners

Qualification Guidance

will be required to answer correctly 20 of the 28 questions (71%) in order to pass. The practical assessment is externally set. The practical assessment must be visually recorded for each learner and is recommended to take approximately 15 minutes. Each learner should introduce themselves, state the date and the techniques they are demonstrating. Learners will be required to achieve a pass mark of 100% for the practical assessment.

Facilities

Training and assessment for approved licence-linked qualifications must be undertaken in an environment appropriate for training and learning. The environment must be adequately equipped for training, conducive to effective learning and must comply with current Health and Safety requirements.

Trainers/Assessors involved in the delivery of Licence-linked qualifications

All trainers/assessors seeking to deliver licence-linked qualifications must have achieved as a minimum:

Trainer Qualifications

1. Award in Education and Training (Level 3 QCF/RQF) (Level 6 SCQF) or a teaching or training qualification at Level 3 (QCF/RQF), Level 6 (SCQF) (or equivalent or above), which has been accredited by SQA/QCA/Ofqual or validated by a HEI, or equivalent such as:
 - Level 4 Award in Education and Training (QCF/RQF)
 - Certificate in Education
 - Post Graduate Certificate in Education
 - SVQ/NVQ Levels 3 and 4 in Learning and Development
 - Scottish Training Qualification for Further Education (TQFE)
 - PTLLS, CTLLS or DTLLS
 - Master's in Education

AND

2. A National Counter Terrorism Security Office (NaCTSO) / SIA endorsed counter terrorism programme such as the ACT (Action Counters Terrorism) Awareness training which must be completed annually.

Assessor Qualifications

Assessors must hold any of the following qualifications:

- Level 3 Award in Understanding the Principles and Practices of Assessment (RQF)
- Level 3 Award in Assessing Competence in the Work Environment (RQF)
- Level 3 Award in Assessing Vocationally Related Achievement (RQF)

Qualification Guidance

- A1 Assessing Learners Using a Range of Methods
- D32 Assess Learner Performance
- D33 Assess Learner Using Different Sources of Evidence

OR the following unit from an Assessor qualification:

- Unit 1 Understanding the Principles and Practices of Assessment

OR the following units from a Teaching Qualification:

- Understanding Assessment in Education and Training unit from a Level 3 Award in Education and Training
- Understand the Principles and Practices of Assessment from a 12 credit Preparing to Teach in the Lifelong Learning Sector
- Principles of Assessment in Lifelong Learning from a 12 credit Preparing to Teach in the Lifelong Learning Sector qualification
- Understanding the Principles and Practices of Assessment from a Level 3 Certificate/Level 4 Diploma in Learning and Development
- Assess Occupational Competence in the Work Environment from a Level 3 Certificate/Level 4 Diploma in Learning and Development
- Assess Vocational Skills, Knowledge and Understanding Level 3 Certificate/Level 4 Diploma in Learning and Development.

It is expected that in most cases the trainer and the assessor will be the same person. If assessors do not hold any of these qualifications/units at the launch of the security qualifications, they will have until 30 September 2022 to achieve them.

Internal Quality Assurer (IQA) requirements

All those seeking to undertake internal quality assurance activities for licence-linked qualifications must have achieved as a minimum one of the following:

- Level 4 Award in Understanding the Internal Quality Assurance of Assessment Processes and Practices (RQF)
- Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practices (RQF)
- Level 4 Certificate in Leading the Internal Quality Assurance of Assessment Process and Practices (RQF)
- V1 Conduct Internal Quality Assurance of the Assessment Process
- D34 Internally Verify the Assessment Process

OR the following unit from an IQA qualification:

- Unit 2/Unit 4 Understanding the principles and practices of internally assuring the quality of assessment.

If IQAs do not hold any of these units by the launch of the security qualifications, they will have until 30 September 2022 to achieve one.

The Centre is required to have access to at least one qualified IQA by 30 September 2022 with security sector competency relevant to the area they are

Qualification Guidance

quality assuring and who is familiar with the course content of the units that they are quality assuring.

Centre personnel who wish to check their eligibility may do so by contacting BIIAB Qualifications Limited.

Additional qualifications required by Trainers, Assessors and IQAs of the Conflict Management unit

The SIA requires all trainers and assessors involved in the delivery of the Application of Conflict Management in the Private Security Industry unit to have received relevant training. Trainers are required to hold a qualification at NQF/QCF/RQF Level 3 Deliverers of Conflict Management Training.

The IQA does not need to hold a formal conflict management qualification but does need to have appropriate competence in conflict management. Appropriate competency could come from employment in:

- Armed services
- Police service
- Security industry
- Prison service

BIIAB Qualifications Limited will require sufficient information about an IQA's occupational competence which will be considered on a case by case basis.

Additional qualifications required by Trainers, Assessors and IQAs of the Physical Intervention unit

All trainers delivering and assessing physical intervention skills training for the door supervisor licence-linked qualifications must hold all of the following;

- A suitable teaching/training qualification
- A suitable Level 3 qualification in conflict management training
- A Level 3 Award for Deliverers of Physical Intervention Training in the Private Security Industry (QCF/RQF); and
- A current certificate (updated annually) from an approved Level 3 programme provider which details that the trainer is authorised to deliver the skills in the approved Level 2 physical intervention programme. It is the responsibility of the trainer to submit this to the training provider/centre in order for BIIAB Qualifications Limited to check the authenticity of these on an annual basis.

The IQA does not need to hold a formal qualification in physical intervention but does need to have appropriate competence in physical intervention such as in the sector (private security industry, Armed forces, Police).

Qualification Guidance

Occupational Competence required by Trainers and Assessors

Trainers and assessors delivering licence-linked qualifications must demonstrate that they have the necessary experience, knowledge and understanding of the sector in which they are providing training.

BIIAB Qualifications Limited will require sufficient information about a trainer's and assessor's occupational competence for consideration in the approval process. Occupational competence will normally come from working in the private security industry but other relevant experience may be acceptable and will be considered by BIIAB Qualifications Limited on a case by case basis. There is no requirement for a trainer or assessor to have a current SIA licence.

Other relevant experience could come from employment in:

- Armed services
- Police service
- Security industry
- Prison service

To ensure that trainers and assessors have the right occupational competence, the SIA and BIIAB Qualifications Limited require trainers and assessors new to the sector (i.e. this is their first role as a trainer or assessor in the security sector as identified from their CV) to have two years' frontline operational experience in the last five years in the UK, relevant to the qualifications that they are delivering. This operational experience can be achieved from full/part-time/weekend employment and achieved in blocks of employment as long as it meets the threshold above.

Existing trainers and assessors must demonstrate to BIIAB Qualifications Limited that they are taking sufficient steps to keep their occupational competence up to date. Suitable steps would include attendance at relevant conferences and seminars, and continuing work experience in the sector. Trainers and assessors must be able to demonstrate evidence of a suitable level of continued professional development (CPD) in the sector. This should include the equivalent of at least 40 hours every year spent in a combination of training, increasing professional knowledge through other means or working in the industry. This CPD record must show that the National Counter Terrorism Security Office (NaCTSO) / SIA endorsed counter terrorism programme such as the ACT (Action Counters Terrorism) awareness training has been completed on an annual basis.

It is the responsibility of training centres to retain the CPD information of trainers and assessors. BIIAB Qualifications Limited and the SIA reserve the right to spot check this information for accuracy and quality assurance purposes. This evidence must be retained for a minimum of three years for audit purposes.

The SIA may publish additional requirements for trainers as and when they are agreed. Trainers looking to deliver licence-linked qualifications should ensure that they are fully familiar and compliant with the requirements as communicated by BIIAB Qualifications Limited.

Appeals

If learners are dissatisfied with an assessment outcome, they have the right to appeal. The main reasons for an appeal are likely to be:

- Learners do not understand why they are not yet regarded as competent, because of unsatisfactory feedback from the assessor
- Learners believe they are competent and that the assessor has misjudged them, or has failed to utilise some vital evidence

BIIAB Qualifications Limited expects most appeals from learners to be resolved within the centre. BIIAB Qualifications Limited will only consider a learner's appeal after the centre's internal appeals procedure has been fully exhausted.

For full details of the BIIAB Qualifications Limited's appeals procedure please refer to <https://biiab.co.uk/policies-and-procedures/>

Initial Assessment and Induction

Prior to the start of any programme it is recommended that centres should make an initial assessment of each learner. This is to ensure that the learners are entered for an appropriate type and level of qualification.

The initial assessment should identify the specific training needs that the learner has, and the support and guidance that they may require when working towards their qualification.

The centre must also identify any units the learner has already completed, or credits they have accumulated, relevant to the qualification.

BIIAB Qualifications Limited suggests that centres provide an induction programme to ensure the learner fully understands the requirements of the qualification they will work towards, their responsibilities as a learner, and the responsibilities of the centre.

Resources

BIIAB Qualifications Limited provides the following additional resources for this qualification:

- Multiple-choice assessments (externally set, externally marked)
- Sample assessments
- Access to the units

Qualification Guidance

- Learning support materials

All of these resources are available on request.

Access to the Units

Units form the qualification and the standard that **must** be achieved in order to be awarded each unit. This is covered within the learning outcomes, assessment criteria and the indicative content that form part of the delivery. BIIAB Qualifications Limited includes the mandatory units within this guidance document.

Design and Delivery

Centres must refer to the units that form the qualification and the standard that must be achieved in order to be awarded each unit. This is covered within the learning outcomes and assessment criteria that forms part of the delivery.

Each unit within this qualification has been allocated a number of Guided Learning hours (GL).

This can include activities such as training/class room based sessions, tutorials, supervised study or supervised 'on-the-job' learning and face-to-face or other pre-arranged 1:1 teaching sessions (e.g. simultaneous electronic communication such as webcam contact or internet messaging). It could also include time spent undertaking assessments.

The qualification will be assigned Total Qualification Time (TQT), which, as well as GL, will include the estimated number of hours spent in preparation, study or any other supervised learning, study or assessment for an average learner. When planning how to deliver the qualification it is important to refer to this definition.

BIIAB Qualifications Limited will not prescribe how the qualification is delivered, but centres must ensure the delivery chosen meets their learners' needs.

Use of self-study

The SIA and BIIAB Qualifications Limited recognise that there is some learning that contributes to the achievement of the licence-linked qualifications that can be completed through self-study.

Qualification Guidance

Where a Centre wishes to use self-study in this way, they must firstly inform BIIAB Qualifications Limited. The Centre must detail within their quality management processes each of the following:

- The areas of learning to be delivered by self-study
- The method of self-study to be used
- The number of hours to be covered by the self-study material
- A robust and auditable method for determining that learners have undertaken the self-study

It is important the materials used clearly show learners how many hours of learning they are expected to undertake and that they are given sufficient time to allow them to complete it before their course begins. It is also a requirement that the centre checks these during training to ensure appropriate learning has occurred. This will be quality assured by BIIAB Qualifications Limited through external quality assurance processes.

Suitable methods of self-study include prepared, high quality:

- On-line learning materials or courses that the learner must navigate
- Workbooks that the learner must work through and complete
- Learning materials that the learner can use to cover specified areas of content

Training centres are reminded that any self-study material used must be retained for a minimum of 3 years in line with retention of assessment evidence requirements.

Format of Units

All units within this qualification will be presented in a standard format that is consistent with the format for all units of assessment. The format will give tutors and learners guidance as to the requirements of the unit for successful completion. Each unit within this guidance document will be in the format below:

Qualification Guidance

Unit Title

This will be shown as it appears on the Register of Regulated Qualifications (<http://register.ofqual.gov.uk>).

Unit Number / Unit Reference Number (URN)

The Unit Reference Number is the unique code that the unit is given by the Regulator. This unit will be referenced on the final qualification certificate. The same unique code for the unit applies in whichever qualification the unit is included within. BIIAB Qualifications Limited also assign unique unit numbers which is consistent when the unit is used in multiple BIIAB qualifications.

Level

This identifies the level of demand for the unit, but may be a different level to that of the overall qualification. The level of the units will be set according to National Occupational Standards and the level descriptors.

Credit

When a whole unit is completed the learner will achieve credits specified by the number of hours' learning time it will take an average learner to complete the unit including the assessment.

Guided Learning Hours (GLH)

The required number of hours that learning should take place under the immediate guidance or supervision of a lecturer, supervisor, tutor or other appropriate provider of education or training.

Total Qualification Time (TQT)

Total Qualification Time (TQT) is defined by Ofqual as the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a qualification. TQT is comprised of the following two elements:

- The number of hours which an awarding organisation has assigned to a qualification for Guided Learning, and

Qualification Guidance

- An estimate of the number of hours a Learner will reasonably be likely to spend in preparation, study or any other form of participation in education or training, including assessment, which takes place as directed by – but, unlike Guided Learning, not under the Immediate Guidance or Supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training.

TQT is always assigned to the qualification however a similar calculation may on occasions also be assigned to a unit.

Learning Outcomes and Assessment Criteria

Learning Outcomes are what the learner is expected to know, understand or be able to do upon successful completion of the unit.

Assessment Criteria are descriptions of the requirements that a learner is expected to meet in order to demonstrate that a learning outcome has been achieved.

Initial Registration

Registration and Certification

Learners should be registered and certificated via BIIAB Qualifications Limited's Customer Management System.

Equal Opportunities and Diversity Policy

BIIAB Qualifications Limited has in place an equal opportunities policy, a copy can be found at <https://www.biiab.co.uk/policies-and-procedures/>

BIIAB Qualifications Limited is committed to ensure that:

- approved centres operate an equal opportunities policy
- approved centres communicate the policy to staff and learners
- approved centres have an effective complaints and appeals procedure of which both staff and learners are made aware
- approved centres are aware of their responsibilities in providing equality of opportunity, particularly with regard to provision for learners with particular assessment requirements

Qualification Guidance

Reasonable Adjustment Policy

Learners who require reasonable adjustments for their assessments must inform their assessor at the beginning of their course of their requirements. BIIAB Qualifications Limited has a reasonable adjustment policy in place, a copy of which is provided to all approved centres and can be found at <https://www.biiab.co.uk/policies-and-procedures/>

Qualification Review and Feedback

BIIAB Qualifications Limited is committed to the ongoing review of this qualification to ensure it remains fit for purpose.

This review approach involves the collation of evidence in the form of any information, comments and complaints received from users of this qualification in relation to its development, delivery and award.

BIIAB Qualifications Limited will give due regard to any credible evidence received which suggests that a change in approach to the development, delivery and award of this qualification is required in order to ensure that no adverse effects will result. This qualification will be periodically reviewed and revised to ensure the content remains relevant, assessment approach remains appropriate and that it remains valid and fit for purpose.
