

Level 2 Hospitality Accommodation Team Member End-Point Assessment

As part of BIIAB Qualifications Ltd, we specialise in End-Point Assessments for the hospitality sector. Our experience with the standards for this industry means we know exactly what employers and apprentices need. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

About the End-Point Assessment

Hospitality Accommodation Team Member is a multi-skilled occupation, working across front of house roles in dining and bar services, reception and housekeeping.

Hospitality Accommodation Team Members move between departments, gaining broad based knowledge, skills and experience in the typical operations of hotels, holiday parks and other hospitality businesses offering accommodation to paying guests. Hospitality Accommodation Team Members are responsible for the smooth operation of the business, working or sharing information cross-departmentally in order to deliver all the services that make up the guest experience.
