

# Level 4 Lead Practitioner in Adult Care

## End-Point Assessment

As part of BIIAB Qualifications Ltd, we specialise in End-Point Assessments for the care services sector. Our experience with the standards for this industry means we know exactly what employers and apprentices need. We make the assessment process clear, easy to use and responsive, ensuring that employers and apprentices are fully supported throughout.

### About the End-Point Assessment

The Lead Practitioner in Adult Care will guide and inspire team members to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges. They will have specialist skills and knowledge in their area of responsibilities which will allow them to lead in areas such as care needs assessment, occupational therapy, physiotherapy, rehabilitation and enablement, telecare and assistive technology.

Lead Practitioners in Adult Care may work in residential or nursing homes, domiciliary care, day centres, a person's own home or some clinical healthcare settings.

*British Institute of Innkeeping Awarding Body (BIIAB) is an Ofqual-recognised End-Point Assessment Organisation. Ofqual regulates and quality-assures our end-point assessments through its regulatory framework. Apprenticeship standards are overseen in England by Skills England.*
