BIIAB Level 2 Award for Door Supervisors in the Private Security Industry (Refresher)

Overview

This qualification includes key areas that will bring current licence holders up to date with the new licence-linked qualifications requirements. The BIIAB Level 2 Award for Door Supervisors in the Private Security Industry (Refresher) is designed to show that learners have obtained and can demonstrate the knowledge and skills required to be a Door Supervisor.

The primary purpose of the qualification is to confirm occupational competence. However, employers can also rely on the knowledge provided as meeting nationally recognised standards within security, and more specifically door supervision, at this level. As such the sub-purpose is to confirm the ability to meet a 'licence to practise' or other legal requirements made by the relevant sector, professional or industry body.

Under the Private Security Industry Act 2001, all door supervisors must hold a licence to practise issued by the Security Industry Authority (SIA). Successful completion of this course enables a door supervisor to meet one of the requirements to apply for their licence. Door supervisors might like to progress by broadening their industry knowledge/employability by taking the BIIAB Level 2 Award for Security Officers in the Private Security Industry and/or the BIIAB Level 2 Award for CCTV Operators in the Private Security Industry.
