# BIIAB Level 2 Award in Barista Skills – 601/6216/8

## Overview

The BIIAB Level 2 Award in Barista Skills has been designed to provide learners with the skills, knowledge and understanding to work in any venue where coffee is served.

The qualification is appropriate for those who wish to learn in an educational environment or in the workplace.

The primary purposes of the qualification is to prepare the learner for upcoming employment or a new job role.

Due to constant Regulatory, policy and funding changes users are advised to check this qualification is funded for use with individual learners before making registrations. If you are unsure about the qualification's status, please contact BIIAB Qualifications Limited head office.

## Who is this qualification for?

This qualification is appropriate for use in the following age ranges:

- > Pre-16
- > 16-18
- > 19+

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

## What does the qualification cover?

Learners must achieve 2 credits. All credits must come from the 1 mandatory unit.

The unit covers:

- > **Barista Skills** – This unit aims to provide learners with the knowledge and understanding of the different components of producing drinks.

## **Purpose Statement**

### **Assessment**

This qualification is internally assessed and requires internal and external moderation. Specific requirements and restrictions may apply to individual units within qualifications. Please check unit and qualification details for specific information.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

### **Overview of assessment strategy**

The qualification contains one unit that combines skills, knowledge and understanding.

BIIAB Qualifications Limited has developed an Activity Assessment Module (AAM) for the unit. AAMs are internally marked assessments, containing a series of activities, marked and internally verified by the centre and with external verification by the BIIAB External Quality Assurer (EQA).

Assessments provided by BIIAB Qualifications Limited will ensure that effective learning has taken place and that learners have the opportunity to:

- > Meet the assessment criteria
- > Achieve the learning outcomes.

Alternatively, centres may wish to devise their own assessments for the knowledge units. If so Centres must obtain approval for any Centre Devised Assessments before their use. Please contact BIIAB Qualifications Limited for details of the Centre Devised Assessment process and procedure.

### **What could this qualification lead to?**

The qualification is designed to equip learners with the knowledge and skills to work effectively at this level. It also will allow for a number of progression routes to employment and into other areas of learning.

Centres should be aware that Reasonable Adjustments, which may be permitted for assessment, may in some instances limit a learner's progression into the sector. Centres must, therefore, inform learners of any limits their learning difficulty may impose on future progression.
