Purpose Statement

BIIAB Level 3 Certificate in Assessing Vocational Achievement– 601/5101/8

Overview

This qualification is part of a suite that was developed for the Regulated Qualifications Framework to cover assessment and the quality assurance of assessment. The suite provides a significant amount of knowledge, understanding and skills that underpin occupational competence in Assessment and Quality Assurance.

This suite of qualifications was developed in consultation with a number of individual practitioners, managers and organisations as well as relevant Awarding Organisations, Sector Skills Councils, regulators and other key stakeholders across the UK.

Due to constant regulatory, policy and funding changes users are advised to check this qualification has been placed in the relevant Apprenticeship Framework and / or is funded for use with individual learners before making registrations. If you are unsure about the qualification's status, please contact BIIAB head office.

Who is this qualification for?

This qualification is appropriate for use in the following age ranges:

- 18+
- 19+

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

What does the qualification cover?

To achieve the BIIAB Level 3 Certificate in Assessing Vocational Achievement learners **must** gain a total of **15** credits from the 3 mandatory units listed below.

The qualification covers the following units:

Purpose Statement

- **Understanding the principles and practices of assessment** – This unit provides the learner with the skills and knowledge to understand the principles and practice of assessment.

- **Assess occupational competence in the work environment** – This unit provides the learner with the skills and knowledge to assess occupational competence in the work environment.

- **Assess vocational skills, knowledge and understanding** – This unit provides the learner with the skills and knowledge to assess vocational skills, knowledge and understanding.

Assessment

This qualification is internally assessed and requires internal and external moderation. Specific requirements and restrictions may apply to individual units within qualifications. Please check unit and qualification details for specific information.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

What could this qualification lead to?

The qualification is designed to equip learners with the knowledge and skills to work effectively in assessing competence. It also will allow for a number of progression routes into Level 4 qualifications, to employment or into other areas of learning.

Achievement of the qualification offers opportunities for progression, including:

- BIIAB Level 4 Award in the Internal Quality Assurance of Assessment Processes and Practice
- Career progression

Centres should be aware that Reasonable Adjustments, which may be permitted for assessment, may in some instances limit a learner's progression into the sector. Centres must, therefore, inform learners of any limits their learning difficulty may impose on future progression.

Purpose Statement
