

Purpose Statement

BIIAB Level 2 Award in Employment Responsibilities and Rights in Health, Social care, Children and Young People's Settings – 601/6473/6

Overview

This qualification has been designed to allow learners to obtain and then demonstrate the knowledge of employment responsibilities and rights required by apprentices and workers within the health and social care sector.

This qualification forms the Employment Responsibilities and Rights component of the Intermediate and Advanced Apprenticeships in Health and Social Care in England.

The primary purpose of the qualification is to prepare learners for employment in the health and social care sector.

As such, this qualification has value either as a stand-alone qualification or as part of an Apprenticeship.

Due to constant regulatory, policy and funding changes, users are advised to check this qualification has been placed in the relevant Apprenticeship Framework and / or is funded for use with individual learners before making registrations. If you are unsure about the qualification's status please contact BIIAB head office.

Who is this qualification for?

This qualification is appropriate for use in the following age ranges:

- > 16-18
- > 19+

Skills and Education Group Awards expects approved centres to recruit with integrity on the basis of a learner's ability to contribute to and successfully complete all the requirements of a unit(s) or the full qualification.

What does the qualification cover?

To achieve the BIIAB Level 2 Award in Employment Responsibilities and Rights in Health, Social Care, Children and Young People's Settings, learners must gain a total of 3 credits from the mandatory unit listed below.

Purpose Statement

The qualification covers:

- > Understand employment responsibilities and rights in health, social care or children and young people's settings

Assessment

This qualification is internally assessed and requires internal and external moderation. Specific requirements and restrictions may apply to individual units within qualifications. Please check unit and qualification details for specific information.

Centres must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.

What could this qualification lead to?

The qualification is designed to equip learners with the knowledge of employment responsibilities and rights required to work effectively within Health and Social Care.

Centres should be aware that Reasonable Adjustments, which may be permitted for assessment, may in some instances limit a learner's progression into the sector. Centres must, therefore, inform learners of any limits their learning difficulty may impose on future progression.

Further Information

Further information on the qualification can be found on the Skills and Education Group Awards website.
